

As a community, going into 'social isolation' is counter-intuitive to what we want to develop in a Christian School, but that does not mean that we cannot pray.

Can we suggest that you have this somewhere close by, or saved on to your phone, so that we can join in prayer, lifting our cares, concerns, fears, praise and worship to God as a school community, with one heart and one voice?

The idea is that you would look at the time and join with others to be praying in earnest for our families, our leaders and all those in our community.
